INTRODUCTION

The program activation procedures described, can be used to activate the use of the COROB TRUECOLOR.

The program activation process provides the COROB protected application to a fully-licensed version.

The software license is locked to a specific computer. The protected software can be used on the end user's computer according to the license that is installed during the activation process.

This Quick Guide will explain you how to activate the program with a software license, both in online and offline mode, that means with or without an internet connection.

ONLINE ACTIVATION

ONLINE ACTIVATION

The online activation requires internet connection

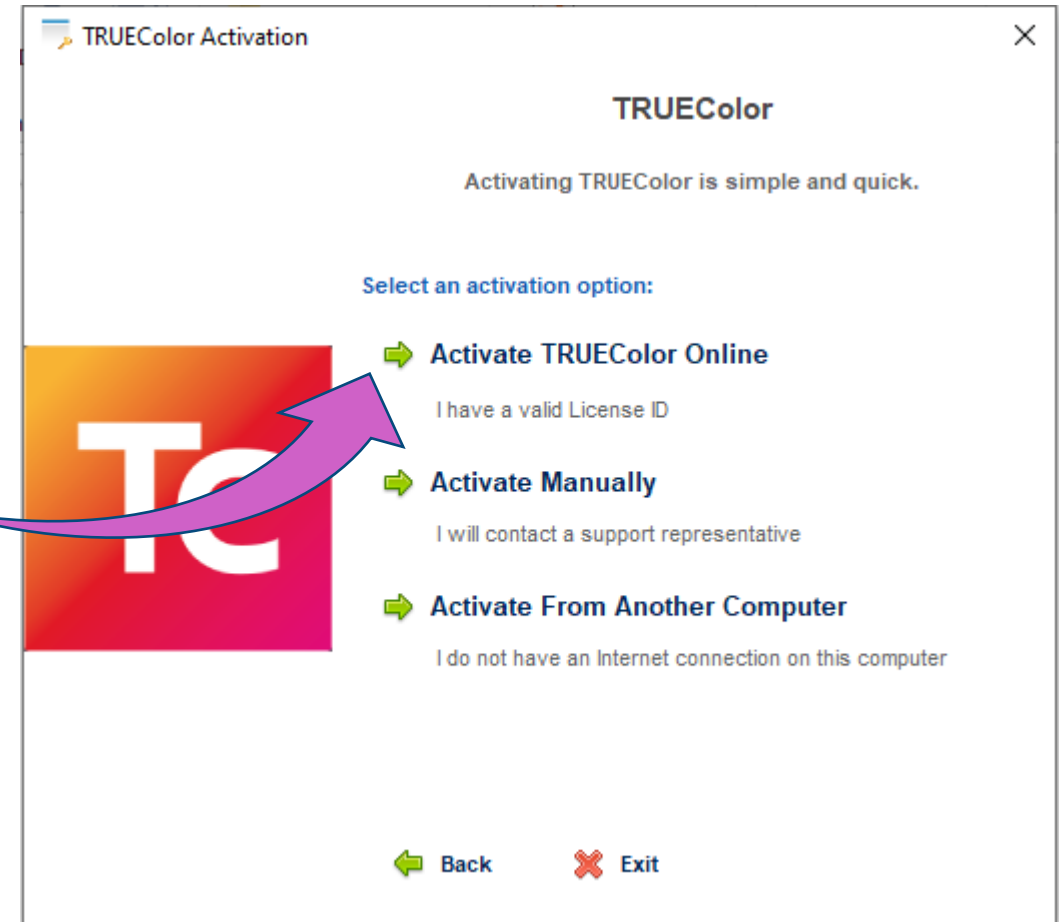

1. Install TRUEColor Application on the desktop.
2. Open the TRUEColor Application.
3. Click on **Activate TRUEColor**.

ONLINE ACTIVATION

4. There would be three options available for the activation. For online activation, you can proceed with the option **Activate TRUEColor Online**.

ONLINE ACTIVATION

5. Enter the valid **License ID** and **Password** that you received in order to activate the license and click on **Continue**.

The screenshot shows a dialog box titled "License ID and Password" for TRUEColor. The dialog contains the following elements:

- TRUEColor logo (TC in a red-to-orange gradient square)
- Text: "Enter the License ID and Password that you received."
- Text: "Enter your License ID:" followed by a text input field containing "123456".
- Text: "[Where is my License ID?](#)"
- Text: "Enter your Password:" followed by a password input field with six dots.
- Navigation buttons at the bottom: "Back" (left arrow), "Exit" (red X), "Continue" (right arrow).

ONLINE ACTIVATION

6. The final acknowledgement will appear to complete the activation process.
7. Click on **Continue** to launch the protected **COROB TRUEColor** Application.

OFFLINE ACTIVATION FROM ANOTHER COMPUTER

OFFLINE ACTIVATION FROM ANOTHER COMPUTER

OFFLINE ACTIVATION

STEP 2 - FROM THE HOST COMPUTER

3. Click on the **Download Activation File** button.
4. An Activation file named **ActivationFile.reg** will be generated.

CUSTOMER SERVICE

*****Print this page for your instructions*****

Thank you for registering with us. Your customer record has been updated.

What to do next:

1. Click **Download Activation File** to download ActivationFile.reg to your computer. You will see a message similar to the following:

Do you want to run or save **ActivationFile.reg** (9.64 KB) from **secure.softwarekey.com**?

This type of file could harm your computer.

Run Save Cancel

2. Click Save and copy this file to a "USB Drive" or other removable/transportable media and take it to the computer which produced the ActivationFile.htm file.
3. On the computer which produced the ActivationFile.htm file, navigate to the ActivationFile.reg file and double-click/open it.

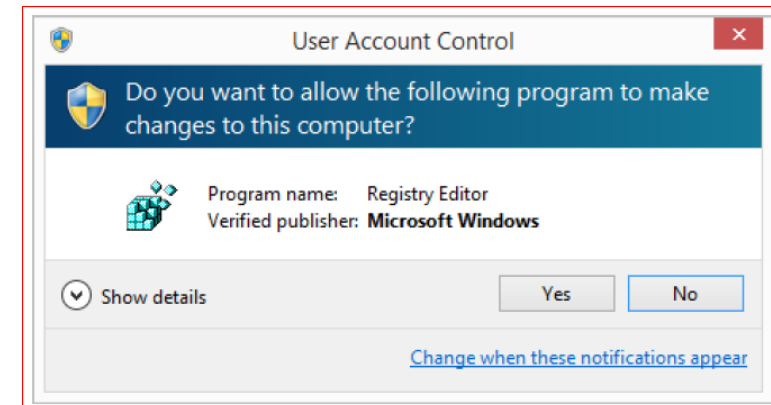

OFFLINE ACTIVATION

STEP 3 - FROM THE END USER COMPUTER

Use a USB pendrive to move the file to the offline PC.

1. Navigate to the ActivationFile.reg file and double-click/open it.
2. You may see a security warning like the one shown. If you see this, click the Run button.
3. You may get the Windows User Access Control (UAC) prompt. If you do, press the Continue or Yes button.

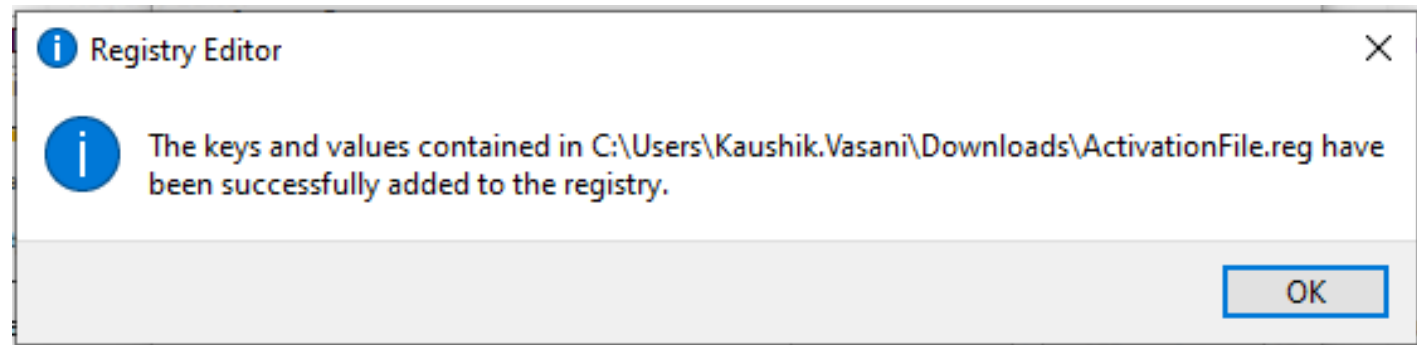

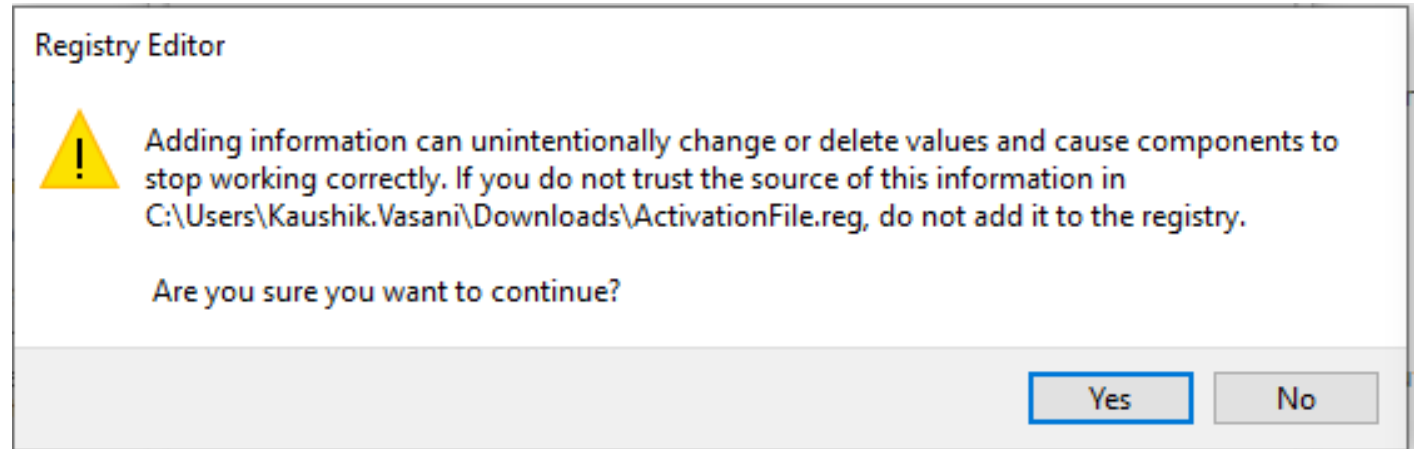

OFFLINE ACTIVATION

STEP 3 - FROM THE END USER COMPUTER

4. After opening **ActivationFile.reg** file click on **Yes** to proceed with the activation on the end user computer. This will add the program registry key to the system registry.
5. Click on **OK** to save the license in the registry.

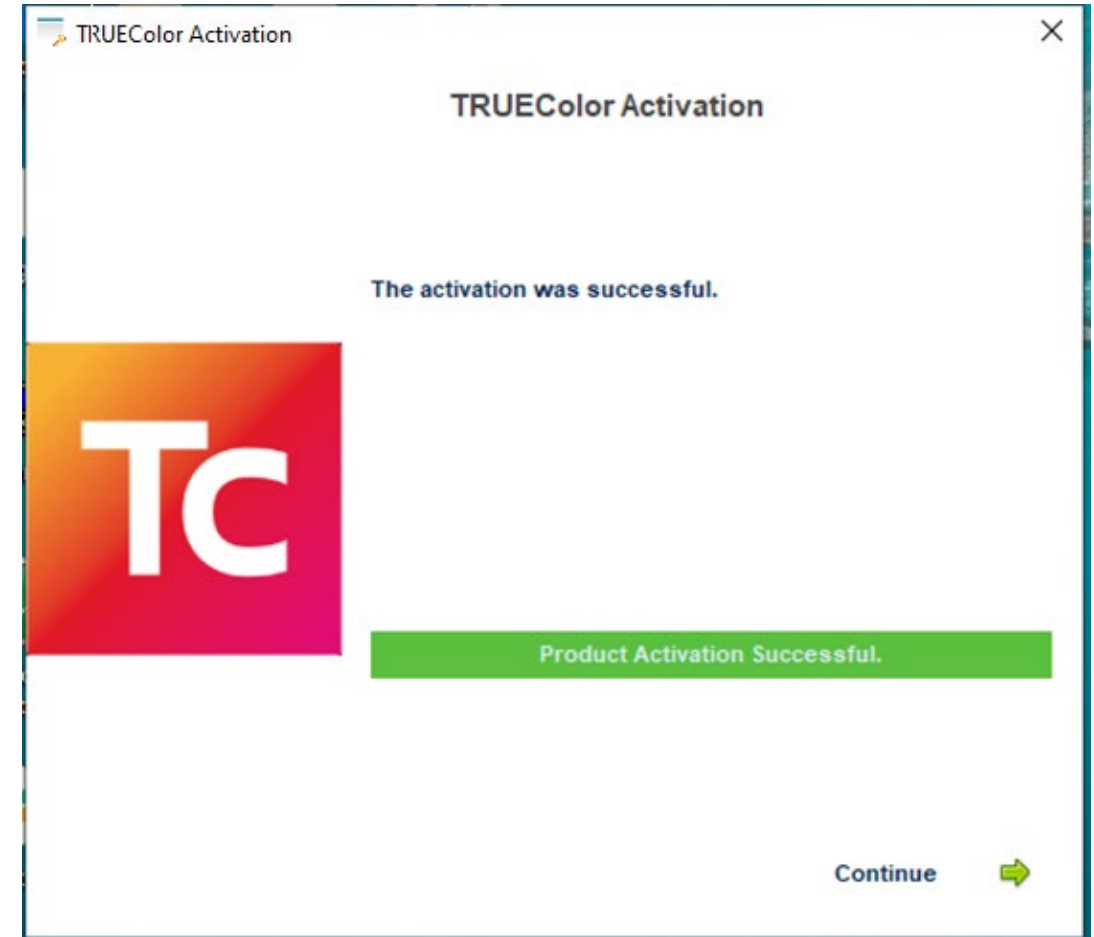

OFFLINE ACTIVATION

STEP 3 - FROM THE END USER COMPUTER

6. The final acknowledgement will appear to complete the activation process.
7. Click on **Continue** to launch the protected TRUEColor Application.
