

## Mixers & Shakers

---

# COROB EVOshake 500

The new  
benchmark for  
shakers

---

## Highlights

- +DURABILITY**  
Reliable and strong working partner.
- +PRODUCTIVITY**  
The best solution for multiple cans shaking at the same time.
- OPERATOR FRIENDLY**  
Easy to use with minimum effort.
- SPACE**  
Minimum footprint, maximum business.

---

COROB EVOshake 500 is a true COROB design that incorporate the most advanced solutions in shaking technology.

The few steps necessary to start working make the unit extremely appreciated by operators.

After closing the door, the mixing starts by itself. To further assist the operator, when the cycle is completed, the door automatically opens.

While operating, the COROB EVOshake 500 surprises for its silence.

### **ABOUT COROB.**

COROB is a global technology leader in developing and manufacturing high-tech dispensing and mixing solutions for different applications including paints and coatings, inks and chemicals.

WE ARE WHERE YOU ARE. Our offering is supported by a global service network making COROB a total solution provider.
