

Mixers & Shakers

COROB FIRSTmix 100

Performing
and convenient
gyroscopic mixer

Highlights

- +DURABILITY**
Rugged and strong design.
- +PRODUCTIVITY**
Ideal solution for demanding production requests.
- OPERATOR FRIENDLY**
Easy to use with minimum effort.
- SPACE**
Minimum footprint, maximum business.

The COROB FIRSTmix 100 is the ideal mixing equipment that bridges performance at a truly convenient lifetime costs. The automatic clamping system assures an everyday ease of use while allowing the paint stores to tint several cans per day.

The automatic pressure clamping settings based on can size and the fully extractable lower tray, for easy can loading and integration with conveyor are some of the features that make it the best choice among the products on the market.

The COROB FIRSTmix 100 satisfies the growing markets needs for a convenient and reliable mixer. The unit operates with round and square cans of sizes up to 35 kg.

ABOUT COROB.

COROB is a global technology leader in developing and manufacturing high-tech dispensing and mixing solutions for different applications including paints and coatings, inks and chemicals.

WE ARE WHERE YOU ARE. Our offering is supported by a global service network making COROB a total solution provider.
